# Short Story Using Verbs 1–30

Ravi **lives** in a small city and **works** in an office. Every morning, he **wakes** up early, **walks** outside, and **looks** at the sky. After that, he **washes** his face, **cleans** his room, and **cooks** simple food.

Before leaving home, Ravi **calls** his friend and **talks** for a few minutes. Then he **travels** to his office. When he **arrives**, he **opens** the office door, **starts** his work, and **listens** carefully to his manager. He **asks** questions and **answers** politely. He always **helps** his coworkers and **waits** patiently.

During break time, Ravi **plays** a short game and **watches** the news. Sometimes he **rests** and sometimes he **studies** new skills and **practices** English. After work, he **finishes** his tasks, **closes** the office, and **moves** towards home.

At home, Ravi **changes** his clothes, **sits** with his family, and **stands** up to help them. At night, he **sleeps** peacefully, feeling happy and thankful for his simple life.

Thank You
