Short Story Using Verbs 1–30

Ravi **is** a college student. Earlier, he **was** careless, but now he has **been** serious about his studies. Every day, he **does** his work carefully.

Yesterday, he **did** his homework, and he has **done** it on time.

Ravi **goes** to college daily. He **went** there yesterday and has **gone** regularly. He **comes** early to class; he **came** on time yesterday and has **come** prepared. He **eats** healthy food; he **ate** fruits yesterday and has **eaten** well. He **drinks** water daily; he **drank** juice before and has **drunk** enough.

He **writes** notes, **wrote** answers yesterday, and has **written** neatly. He **reads** books, **read** them earlier, and has **read** many chapters. He **speaks** English confidently; he **spoke** yesterday and has **spoken** well. He **sees** improvement; he **saw** progress and has **seen** success.

Ravi **takes** responsibility; he **took** action and has **taken** charge. He **gives** respect, **gave** help, and has **given** support. He **gets** results, **got** good marks, and has **got** confidence. He **makes** plans, **made** efforts, and has **made** progress. He **finds** solutions, **found** answers, and has **found** clarity.

He **thinks** positively, **thought** deeply, and has **thought** wisely. He **buys** books, **bought** notes, and has **bought** knowledge. Teachers **build** skills, **built** confidence, and have **built** his future. Ravi **chooses** the right path, **chose** discipline, and has **chosen** success.

He **runs** daily, **ran** yesterday, and has **run** regularly. He **drives** carefully, **drove** safely, and has **driven** responsibly. Like birds that **fly**, **flew**, and have **flown**, Ravi is moving forward in life.

Thank You
